CFC20/03/001	Welcome & Introductions	Action
059/1	The Committee Chair (CC) welcomed everyone to the meeting.	
CFC20/03/002	Apologies for Absence	
20 45. 40.15	Apologies for absence were noted.	

CFC20/03/003	Quorum	
	The CC advised that the meeting was not quorate, therefore any key decisions made would be taken to the Board to be ratified.	
CFC20/03/004	Declarations of Interests	
	There were no declarations of interest.	
CFC20/03/005	Minutes of the Committee Meeting held on 10 <sup>th</sup> December 2019	
	The Committee reviewed the minutes of the meeting held on 10 <sup>th</sup> December 2019.	
	The END advised that her job title required amending from Executive Director of Nursing to Executive Nurse Director.	LT
	Resolved that:	
	Subject to the above amendment;	
	(a) The Committee approve the minutes of the meeting held on 10 <sup>th</sup> December 2019 as a true and accurate record.	
CFC20/03/006	Committee Action Log	
	The Committee reviewed the Action Log and noted the following update:	
	<b>CFC 19/12/011:</b> The Deputy Finance Director (DFD) commented that the report did not go to the Trustee in January, therefore the action is still outstanding.	
	CFC 19/12/012: The DFD advised the Committee that the Investment Manager was still out for tender.	
	Resolved that:	
	(a) the Committee noted the Action Log.	
CFC20/03/007	Events Planner 2020	
	The Director of Communications (DC) advised the Committee that due to the COVID-19 outbreak a significant number of events on the planner had been cancelled. The Committee were assured that the team would explore further fundraising ideas during this time and a revised planner would be circulated to the Committee when completed.	JB
06/104	Resolved that:	
- 30th	(a) The Committee noted the Events Planner 2020.	
,		

# CFC20/03/008 **Health Charity Strategy** The DC introduced the paper and confirmed that strategy objectives had been aligned to the Shaping our Future Wellbeing Strategy. The END confirmed she supported the strategy and advised the Committee that when bids were considered in the future, the Committee needed to ensure that they aligned to the strategy. The Independent Member – asked if there would be a Health Charity Showcase event to display the work of the Charity and bids supported. In response the DC advised that this idea could be explored going forward. The CC asked for the following adjustments to be made; JB The wording be altered from 'Going above NHS services' to 'Enhancing NHS Services' the clinical renovation website link be included within the Global Reputation section of the strategy the Wellbeing of Future Generations Act be linked to the objectives section of the strategy Resolved that: Subject to the amendments outlined above; (a) The Committee approved the Health Charity Strategy CFC20/03/009 **Health Charity Annual Report** The DFD introduced the paper and confirmed the report included the audited accounts and had been approved by the Charity Trustee in January. Resolved that: (a) The Committee noted the Health Charity Annual Report. CFC20/03/010 Sustainable Staffing The DC introduced the paper and confirmed the three positions outlined in the report had been aligned to the Health Charity Strategy. The END thanked the DC for the transparency of the report which was extraordinary to see in a public meeting. The END encouraged the Committee to approve the positions, despite the current financial position, to recognise the significant work the individuals had undertaken. The DFD commented that he would support the paper but would recommend that a percentage of time would be charged from the appeals internally,

rather than full salaries being taken from general reserves.

The CC confirmed the paper would be fully supported by the Committee and thanked the staff for their patience. Resolved that: (a) The Committee approved the Sustainable Staffing Paper. CFC20/03/011 **Patrons Protocol** The DC introduced the paper and confirmed that the process outlined the responsibilities and obligations of Patrons when appointed. The END explained that the Committee could be assured that this process protected staff and patients. The CC asked for the following amendments be made; JB A term period of four years, with an annual review • Executive Lead be included, not specified as the END in case of future Committee alterations Resolved that: Subject to the above amendments outlined above; (a) The Committee approved the Patrons Protocol. CFC20/03/012 **Arts Annual Report** The DC introduced the report and advised it showcased the work undertaken with the Arts Federation and Arts Council for Wales. The DC further explained that Welsh Government recognised that Cardiff & Vale UHB were leading in the Arts Programme and work was being undertaken with the development team for UHW2 to ensure Art and Wellbeing continued to be featured. Resolved that: (a) The Committee noted the Arts Annual Report. CFC20/03/013 **Health Charity Financial Position** The DFD advised the Committee that income was considerably lower than last year due a decrease in legacies, however the Charity had a good cash balance of 1.4 million which would support the Charity during the difficult period ahead. Resolved that: (a) The Committee noted the Health Charity Financial Position.

### CFC20/03/014

# **Financial Review of Delegated Funds**

The DCD introduced the paper and commented that due to the current situation with COVID-19 the Charity investment in the stock market had seen a significant decrease, at the time of writing the report it had an asset gain of £179,000.00, however to date, there was a loss of £817,000.00. The Committee were assured that the appropriate external advice was being taken and agreed an update would be provided at the next Committee meeting.

The Committee discussed and approved the implementation of a policy that any unrestricted funds that have been dormant for two full financial years are transferred to general reserves, approved that all restricted fund holders that have dormant funds be requested for expenditure plans and approved the consolidation of all funds that are deemed to be general reserves.

The Committee agreed the timing of this would be managed considerately due to the current pressure the organisation was facing with the COVID-19 outbreak.

### Resolved that:

- (a) the Committee approved the implementation of a policy that any unrestricted funds that have been dormant for two full financial years are transferred to general reserves.
- (b) the Committee approved the implementation plan around this revised policy;
- (c) the Committee approved that all restricted fund holders that have dormant funds be requested for expenditure plans;
- (d) the Committee approved the consolidation of all funds that are deemed to be general reserves.

# CFC20/03/015

# **Change Account**

The DC introduced the paper and advised the Committee that engagement and staff benefits had not been seen from the Change Account therefore, the partnership was being reviewed.

The CC explained that the Change Account may be utilised more in the coming months and agreed to write to the Change Account to ask for the plans and measurable outcomes over the next six months. The Committee would further review the partnership after this.

AH/JB

### Resolved that:

- (a) the Committee noted the Change Account
- (b) the Committee agreed to review the partnership in six months' time.

JB

### CFC20/03/016

# **Horatio's Garden Update**

	The DC advised the Committee that the paper provided assurance that significant work was being undertaken for the Horatio's Garden project, however informed the Committee that there may be a further request for additional funding to support equity of the Neuro Garden.	
	The END expressed concern as a significant amount of funding had already been invested in Horatio's Garden. After Committee discussion, it was agreed a full report outlining current costs and potential further costs be provided to the Committee for discussion at the next Committee meeting.	JB
	Resolved that:	
	(a) the Committee noted the Horatio's Garden Update.	
CFC20/03/017	Committee Annual Report 2019/20	
	The Director of Corporate Governance (DCG) introduced the report and explained that it outlined the work undertaken by the Committee during 2019/20, this would be updated after the meeting and subject to approval from the CC, submitted to the Board for approval in March 2020.	
	Resolved that:	
	<ul><li>(a) the Committee reviewed the Committee Annual Report 2019/20</li><li>(b) the Committee recommended the Committee Annual Report 2019/20 to the Board for approval.</li></ul>	NF
CFC20/03/018	Committee Terms of Reference 2020/21	
	The DCG introduced the report and confirmed that it outlined the revised draft Terms of Reference for review and comments before submitting the final Terms of Reference for Board approval at the end of March 2020.	
	Resolved – that:	
	(a) The Committee approved the changes to the Terms of Reference;	
	and (b) The Committee recommended the changes to the Board for approval.	NF
CFC20/03/019	Committee Work Plan 2020/21	
	The DCG introduced the report and requested any suggested changes be provided before the final 2020-21 Work Plan was submitted for Board approval at the end of March 2020.	
06/161	Resolved – that:	
75.703.70	(a) The Committee reviewed and approved the Work Plan 2020-21;	
~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~ ~	and (b) Subject to further discussion, the Committee recommended the approval to the Board of Directors.	NF

CFC20/03/020	Bid Success Report	
	The Committee reviewed the Bid Success Report.	
	The Committee Resolved that:	
	The Committee Resolved that:	
	(a) The Committee noted the Bid Success Report.	
CFC20/03/021	Staff Benefits Bids Paper	
	•	
	The Committee reviewed the Staff Benefits Bid Paper.	
	The Committee Resolved that:	
	(a) The Committee noted the Staff Benefits Bid Paper.	
CFC20/03/022	Staff Lottery Bid Panel Report	
	The Committee reviewed the Staff Lottery Bid Panel Report.	
	The Committee Resolved that:	
	(a) The Committee noted the Staff Lottery Bid Panel Report.	
CFC20/03/023	Any Other Business	
	There was no other business raised.	
CFC20/03/024	Items to bring to the attention of the Board / Trustee	
	It was agreed the following items would be taken to the Trustee Meeting in	
	March 2020;	
	Health Charity Strategy;

Report Title:	Health Charity Donations / Gifts Received				
Meeting:	Charitable Funds Committee Meeting Date: 23.06.20				
Status:	For Discussion For Assurance Approval For Information				
Lead Executive:	Ruth Walker, Exective Director of Nursing				
Report Author (Title):	Joanne Brandon, Director of Communication, Arts, Health Charity and Engagement				

# **Background and current situation:**

The purpose of this document is to provide an interim report on financial income and expenditure to date, plus the receipt and distribution of food and other items by the Health Charity Team, in response to the Coronavirus global pandemic (C19).

# **Executive Director Opinion /Key Issues to bring to the attention of the Board/ Committee:**

This paper provides information on the monetary and practical donations received by Cardiff & Vale Health Charity on behalf of Cardiff and Vale University Health Board during the Coronavirus global pandemic (C-19).

# Assessment and Risk Implications (Safety, Financial, Legal, Reputational etc.)

The Health Charity is required to carry out it's duties in strict compliance with financial governance and charitable law, to ensure the secure processing and administration of donations; adhering to its governing policies and procedures and in order to protect the reputation of Cardiff & Vale Health Charity and Cardiff and Vale University Health Board

Within this document you will find information on:

- 1. Monetary donations received
- 2. Food/gift items received
- 3. Expenditure to date
- 1. During April and May 2020, the Health Charity received a total income of £952,657.06\* This included donations of £813,555 via its dedicated website, \*Justgiving and offline donations, plus grants from NHS Charities Together. \*Donations total at end of May 2020.

These included generous donations of £500,000 from Gareth and Emma Bale, £20,000 from Aaron Ramsey and £20,000 from Sir Stanley Thomas. These assisted in raising the profile of the Health Charity due to the high level of publicity they attracted.

Other donations included money raised by individual fundraisers which varied in totals from £55 to £4,332.

Additionally, the sum of 14,514 was donated by local Funeral Directors, in lieu of cremation fees.

2. Cardiff and Vale UHB received an unprecedented outpouring of generosity and kindness from the general public, local businesses and its partners and ambassadors in response to the Coronavirus global pandemic (C-19).

The Health Charity has been able to assist at this time by receiving and distributing items at the Staff Havens at UHW,UHL and DHH which were distributed across all hospital sites and community services. These included donations of food, treats and drinks from national retailers including Sainsbury's, Waitrose, Boots, Bookers, Co-op, Hovis plus local retailers and bakeries.

The Health Charity co-ordinated the delivery of over 70,000 cooked meals daily across the UHB. These included staff at UHW and UHL, provided by the #FeedTheHeath fundraising campaign (which totalled £75,565), plus the #FeedtheNHS fundraiser, which funded the provision of meals via Sausage Revolution

The Health Charity also assisted the Patient Experience Team with the receipt and distribution of toiletries, clothing and treats for patients.

- 3. Expenditure of the donated income to date totals £33,063 which includes the purchase of:
  - Ipads, Tablets, patient clothing and activity items Patient Experience Team £22,040
  - Guardian 24 Lone Worker Devices Health & Safety Dept. £2,320
  - Elderfit DVD's Public Health £2,000
  - Scooters and radios Dragon's Heart Hospital £700
  - Wellbeing resources for staff and Staff Havens £6,003

### **Recommendation:**

### The Committee is asked to:

Accept the attached document as a record of the donation and distribution of practical items plus financial income and expenditure to date, as managed by the Health Charity Team, on behalf of Cardiff and Vale University Health Board during the Coronavirus global pandemic (C-19).

# **Shaping our Future Wellbeing Strategic Objectives**

This report should relate to at least one of the UHB's objectives, so please tick the box of the relevant objective(s) for this report

Reduce health inequalities	6. Have a planned care system where demand and capacity are in balance
Deliver outcomes that matter to people	7. Be a great place to work and learn $\sqrt{}$
3. All take responsibility for improving our health and wellbeing	8. Work better together with partners to deliver care and support across care sectors, making best use of our people and technology
Offer services that deliver the population health our citizens are entitled to expect	Reduce harm, waste and variation sustainably making best use of the resources available to us

5. Have an unplanned (emergency) care system that provides the right care, in the right place, first time			inr pro	cel at teaching, novation and impovide an environ novation thrives	rove	ment and	
Five Ways of Working (Sustainable Development Principles) cons Please tick as relevant, click here for more information							
Prevention	Long term	Integration	n	Collaboration	1	Involvement	$\sqrt{}$

Lead Executive:	Ruth Walker, Exective Nurse Director						
Report Author (Title):	Joanne Brandon, Director of C Engagement	Communication,	Arts, Health	Charity and			

## Background and current situation:

The purpose of this document is to provide assurance on the governance arrangements and the management of the charity within Cardiff and Vale University Health Board's Charity, during COVID 19.

CAVUHB staff members, including clinical staff and the Communication, Arts, Health Charity and Engagement Team have worked collaboratively to establish CAVUHB's Operational Governance Plan.

## **Executive Director Opinion /Key Issues to bring to the attention of the Board/ Committee:**

This paper provides assurance on the governance arrangements in place by the Health Charity Team in Cardiff and Vale University Health Board during the Coronavirus global pandemic (C-19).

#### Assessment and Risk Implications (Safety, Financial, Legal, Reputational etc.)

The Health Charity is required to carry out it's duties in strict compliance with financial governance and charitable law, to ensure the secure processing and administration of donations; adhering to its governing policies and procedures and in order to protect the reputation of Cardiff & Vale Health Charity and Cardiff and Vale University Health Board.

Within this document, you will find information on:

- 1. Making financial donations to support CAVUHB staff and patients affected by COVID-19 (via Cardiff & Vale Health Charity's Spread the Love Campaign).
- Receiving funding to purchase items for staff and patients that go over and above what the NHS can provide (Cardiff & Vale Health Charity Staff Lottery Bids Panel Fast Track Scheme and 'Make It Better' grants).
- 3. Request specific items or utilising social media to 'appeal' for fundraising for specific equipment.
- 4. Donating equipment/ PPE / toiletries/ food / other items for CAVUHB staff

The Charity ran a number of campaigns during this period.

#### They included :-

#### 1. Cardiff & Vale Health Charity Spread the Love Campaign

The UHB does not advise its employees or the public to set up crowdfunding pages or Amazon Wish-Lists to purchase specific equipment or fundraise for the ward/department/service for the following reasons:

- a) People cannot Gift Aid if they donate via crowdfunding. If someone sets up a JustGiving page with Cardiff & Vale Health Charity, donations may be gift aided, meaning that the value of a £10 donation becomes £12.50, a £100 donation becomes £1,250 at no cost to the donor. JustGiving through the Health Charity is a much better option as it provides added value to the original donation.
- b) There is evidence that crowdfunding pages elsewhere in the UK have been set up fraudulently, and the monies raised haven't been passed to their intended NHS beneficiaries.
- c) The money raised through a crowd funder can take between 6-10 days to reach the fundraiser. Funds are available for use by CAVUHB immediately via donations made to Cardiff & Vale Health Charity.
- d) Other NHS Charities have set up Amazon Wish-Lists for items that frontline staff require. Some of the items ordered are now not able to be dispatched until May, though they are needed now. All frontline staff can access funds through Cardiff & Vale Health Charity now for items that are required now.

In light of this position the following approach was taken -

To encourage those who want to show their support during this time to:

- Donate to: https://www.justgiving.com/campaign/spreadthelove
- Start a JustGiving page here: https://www.justgiving.com/cardiffandvale

If you want to encourage people to support your specific ward/department/service, please provide the following advice to:

- Donate to your ward / department / service here: <a href="https://healthcharity.wales">https://healthcharity.wales</a>
- Start a JustGiving page for your ward / service here: https://www.justgiving.com/cardiffandvale
- Contact the Health Charity Team at fundraising.cav@wales.nhs.uk to find out more information.

# 2. Cardiff & Vale Health Charity COVID Response Grants and Staff Lottery Bids Panel Fast Track Scheme

CAVUHB staff members are not encouraged to issue personal requests on social media for items that are needed on their wards. Cardiff & Vale Health Charity have offered help and support to all areas within Cardiff and Vale UHB during these difficult times. We have supported the wellbeing of staff and patients in the dept. This is undertaken by completing a brief form. N.B. the request requires the authorisation of the relevant department manager.

The Staff Lottery Fast Track Scheme is up to the value of £250. You can find the application form <a href="http://www.cardiffandvale.wales.nhs.uk/pls/portal/url/ITEM/638713BFF8D728CAE0500489923C407D">http://www.cardiffandvale.wales.nhs.uk/pls/portal/url/ITEM/638713BFF8D728CAE0500489923C407D</a>

#### 3. Requesting Gifts in Kind (Tangible, Non-Financial Donations)

It is important that NHS staff do not directly seek funding for items, without discussion and agreement from departmental managers. Staff-led appeals for items, which can easily be sourced internally, may lead to unnecessary concerns; CAVUHB and other agency resources being diverted unnecessarily, and most importantly undermine our communities' collective efforts to comply with social distancing guidelines to protect staff, patients and the public.

If they wish to issue a public appeal for items, or for ward/dept. for example construction items or personnel during this unprecedented time, please send your request to: <a href="mailto:fundraising.cav@wales.nhs.uk">fundraising.cav@wales.nhs.uk</a>.

An example of successful public appeals include requests from senior nursing staff for bottled water for the critical care teams. In addition, local suppliers have been contacted in a targeted engagement exercise with requests for specialised items. Your depts. needs could be met in this same controlled manner, ensuring compliance with governance, procurement and audit guidelines.

#### 4. Managing offers of support including PPE, food, toiletries and new clothing

#### **PPE**

Many individual and local companies have offered to support CAVUHB's efforts, particularly with sourcing PPE. As a UHB we were clear that we could not accept this equipment unless it had been tested and was meeting national standards.

Welsh Government have appointed Life Sciences Hub Wales as the primary contact for organisations offering to supply, manufacture and/or distribute products or collaborate with others to develop products/solutions in several areas, including PPE.

If businesses are willing to diversify to manufacture or supply of PPE, then CAVUHB asks that they be directed to the Life Sciences Hub Website to submit their proposal. <u>LSHW Industry Challenge</u>

#### **TOILETRIES AND CLOTHING**

Donations of toiletries and clothing for patients whilst visiting restrictions are in place were directed to the Patient Experience Team at: Pe.Cav@wales.nhs.uk

#### **FOOD**

Many local companies and individuals expressed a wish to support CAVUHB during this unprecedented period by providing food for staff. Cardiff & Vale Health Charity engaged with Clinical Boards, the Food Safety Agency and worked collaboratively with several partners to receive and safely distribute food donated by our generous donors to where it is most needed. The Health Charity has set up Staff Havens on its main hospital sites that provides CAVUHB staff members with an area to rest and recuperate away from their departments during their breaks. If businesses wish to donate food to benefit CAVUHB staff, then please contact the Health Charity team at: <a href="mailto:fundraising.cav@wales.nhs.uk">fundraising.cav@wales.nhs.uk</a>.

If staff are approached by the public and/or local suppliers asking how they can support CAVUHB with the above, they were encouraged to contact the Health Charity team by emailing fundraising.cav@wales.nhs.uk. This will enable an up to date record of all donors and details of their donations and enable acknowledgment and recognition of these to be actioned by CAVUHB.

It is important that all offers of support are recorded so that CAVUHB can ensure:

- the items are permitted
- relevant services are advised (e.g. Area Control Centres, Infection, Prevention and Control, Procurement Supply Chain Unit, Audit and Finance (where there are potential recurring revenue costs of donated items).
- there is traceability and accountability for all items received and decision making on voluntary donations.
- an up to date record of all donors and donations is kept, to enable acknowledgment and recognition of these to be actioned by CAVUHB.
- a timely response to donors e.g. with official thank you events/videos
- all offers are accurately recorded on the Health Charity's donations database

#### 'Spread The Love Campaign' – Non-Fundraising Online Engagement

Local families and community groups having been sending messages of support for frontline staff and patients through sending messages via Cardiff & Vale Health Charity social media. CAVUHB staff are encouraged to 'like' the Health Charity on Facebook <u>facebook.com/cardiffandvaleuhbcharity</u> and 'follow' them on Twitter <u>twitter.com/health\_charity</u> to view these messages in coming weeks.

#### **NHS Charities Together COVID-19 Appeal**

CAVUHB's registered charity, Cardiff & Vale Health Charity, is a longstanding member of NHS Charities Together (NHSCT, formerly the Association of NHS Charities). NHSCT, which acts as an advocate for NHS Charities and leads on national campaigns on behalf of all NHS Charities.

NHSCT launched a COVID-19 Appeal in March, which (at 13.04.20) has already raised £30million for NHS Charities. The funds raised through NHSCT are being given as grants to NHS Charities across the UK. An initial grant of £35,000 from the money raised was transferred to CAVUHB in April, and a further grant of £108,500 in May.

In addition to the UK-wide NHS fundraising, the NHS Charities in Wales have also combined efforts to raise money together. Swansea Bay Health Charity helped to organise this recent fundraiser, which has benefitted all NHS Charities in Wales: <a href="https://www.walesonline.co.uk/news/wales-news/luke-evans-michael-sheen-rob-18065068">https://www.walesonline.co.uk/news/wales-news/luke-evans-michael-sheen-rob-18065068</a>

If you know of a company that wants to support the NHS across Wales, please ask them to contact the Health Charity at Fundraising.cav@wales.nhs.uk

#### Recommendation:

#### The Committee is asked to:

Note the governance arrangements in place by the Health Charity Team in Cardiff and Vale University Health Board during the Coronavirus global pandemic (C-19).

Report Title:	Financial Donations Charitable Funds Income Update for the Period April & May 20220								
Meeting:	Special Charitable Funds Committee	Meeting 23rd lune							
Status:	For Discussion $\sqrt{\begin{array}{ccc} For \\ Assurance \end{array}} \sqrt{\begin{array}{ccc} For \\ Approval \end{array}}$ For Information								
Lead Executive:	Executive Director of Finance								
Report Author (Title):	Deputy Director of Finance								

#### **Background and current situation:**

The Charitable Funds Committee has responsibility in overseeing the financial management and stewardship of the charitable funds. This report has been prepared to detail the income received during the first two months of the year being the period when the COVID 19 pandemic impacted on the UHB.

#### **Executive Director Opinion /Key Issues to bring to the attention of the Board/ Committee:**

The funding received during the COVID 19 pandemic is far in excess of what would normally expect as evidenced by comparing 18/19 and 19/20 income levels for this 2 month period.

The Charity however is however going through a difficult financial period with:

- Material investment losses due to the down turn of the stock market largely linked to COVID 19;
- Significant commitments against its general reserves.

Whilst this additional income is most welcome it needs to be utilized in the context of the broader financial position of the charity in consideration of all other priorities. Also we are uncertain of what income streams will look like in the future.

#### Assessment and Risk Implications (Safety, Financial, Legal, Reputational etc.)

An anlysis of the income received by the charity for the first two months of the year, is congtained in the following table. This also shows the comparison of income received for the same period over the previous 2 years.

Schedule of Income for the 2 month period April to May

Income	Unrestricted	Restricted	20/21	19/20	18/19
	£000	£000	£000	£000	£000
Legacies					31
Donations	821		821	54	38
Staff Lottery		20	20	20	20
Appeals		10	10	28	61
<b>Total Income</b>	821	30	851	102	150

This shows a substantial increase in donations with some significant acts of generosity as detailed in the following table.

## Schedule of "Material" Income for period ending May 2020

Received	Fund	Fund	£
From	Category		
Mr & Mrs Bale	UR	Mr & Mrs Bale Fund	500,000
NHS Charities Association	UR	Make It Better Fund	35,000
NHS Charities Association	UR Make It Better Fund		108,500
Sir S G Thomas and Lady S Thomas	UR	Make It Better Fund	20,000
All Wales NHS Campaign	UR	Make It Better Fund	7,851
Waterloo Fund	UR	Teenage Cancer Ward	20,000
Total			691,351

What is uncertain is if this upward trend will be maintained or whether it was just an initial response to support the service during the pandemic. Also lockdown and social distancing rules are likely to adversely impact upon normal fund raising activities such as the Cardiff Half Marathon.

#### Recommendation:

The Charitable Funds Committee is asked to:

• **NOTE** the income received for the 2 month period April to May 2020.

Report Title:	3.1 - Next Steps for Cardiff & Vale Health Charity					
Meeting:	Special Charitable Funds Committee			Meeting Date:	23/06/2020	
Status:	For Discussion	X For Assurance	For Approval	For Information		
Lead Executive:	Ruth Walker, Executive Nurse Director					
Report Author (Title):	Joanne Brandon, Director of Communications, Arts, Health Charity and Engagement					

#### Background and current situation:

- Pro Bono Economics is an independent charity set up to provide economic advice to charities. It has commissioned work surveying 261 charities to identify and track weekly the issues facing charities across the UK in line with Covid-19 and an economic downturn. It predicts that 1:10 charities will struggle or fold in the next 12 months. Through a weekly tracker it has identified that one fifth of charities will face a reduction in donated income of between 50-75% as a direct impact of Covid-19 with the biggest issues identified as physical distancing reducing the ability to both fundraise and deliver services. Full details of their research and economic predictions can be read here: https://www.probonoeconomics.com/
- Due to the current and foreseeable physical distancing guidelines, many of the large scale events that the Health Charity had planned in 2020 to either sponsor, manage or participate have been cancelled.
- The Covid-19 pandemic has created an outpouring of support for NHS organisations and the health charities that support patients and staff, which we anticipate will have a window of opportunity.
- The current climate has opened up a range of virtual and online activities for people and communities previously not experienced, which the Fundraising Team alongside other charities would like to capitalise on.
- The Fundraising and Arts team need to adapt and diversify to the current climate to ensure that we capitalise on the current opportunities for NHS charities and to retain as much income for the Health Charity; thereby benefiting staff and patients.
- This paper proposes some operational ways forward for the Health Charity to continue to fundraise and raise its public profile during economically difficult times for our communities.

#### **Executive Director Opinion /Key Issues to bring to the attention of the Board/ Committee:**

It is extremely difficult to forecast fundraising related income for 2020/21. The Health Charity plans to mitigate any negative impact by focusing on digital and virtual events, legacies, staff

benefits, trading and raising our profile through marketing, so that we are seen as the "charity of choice". However this will require a comprehensive plan, which we are currently developing in alignment with the Health Charity Strategy.

### Assessment and Risk Implications (Safety, Financial, Legal, Reputational etc.:)

#### **Operational Assessment**

The fundraising team has reviewed all current planned activity and researched proposals around a continuation of events but delivered in a different way.

- Retaining the profile of those events, the causes behind them and the goodwill and commitment of the people involved, to ensure we don't lose the "momentum" of support.
- Discussion will take place with each of the fundraisers in line with their appeal portfolios
  to ensure that we agree a collabration of ideas that everyone will buy into, to continue
  raising funds and maintaining the appeal profile.
- Assessing the art of the possible a discussion on what can realistically be delivered and the potential to obtain online audience participation will be assessed and a view taken as to whether any outlay will be be a sound investment and raise income.
- Raising profile it is recognised that raising the profile of the charity and exposure to
  what it is providing, in itself doesn't raise funds directly but can be attributed to people
  wanting to donate to the offical charity of CAV UHB i.e. Bale donation, is specifically
  donated for spend at UHW as well as a similar amount to the UK wide NHS Charities
  Together

#### Risks

- It is accepted that we will be unable to reach previous fundraising amounts for individual events
- If the Health Charity doesn't diversify quickly, it will be left behind in an agile charity marketplace which is already re-grouping to assess and implement ways to capture an online market
- That we are seen to be offering "access" to the Health Charity through a range of mediums in order to retain loyalty and buy-in from supporters
- Loyal supporters (leading indivuidal appeals i.e Breast Centre, PROP) can see the CFC and Fundraising team are stepping up to the challenge of the "new normal" and will retain their commitment to the Health Charity and not look for alternative ways in which to support their altruism
- That an investment in digital/marketing communcations will not pay for itself in the current economic climate
- Risk of not having a digital marketing person is a lack of skills within the current team and re-training opportuniteis will take too long or be insufficient to support virtual events.

#### Positive impact;

- Increase in large celebrity donations and support for NHS by further raising our profile
- Monies received from NHS Charities Together collaborative support
- Fundraisers supporting NHS charities via on-line/virtual fundraising
- Galvanised existing and developed new relationships with organisations, businesses and partners who wish to support the UHB/ Health Charity/ NHS in the future
- Therease in social media followers to Health Charity
- Increase in number and range of arts interventions
- The visibility of the Health Charity has increased due to the team's involvement in the

- Staff Havens and the distribution of a wide variety of public and local business donations
- Due to Staff connect app and daily CEO connects infrastructure the Health Charity has increased communication / messaging to UHB staff
- Trading partnerships have raised monies via art initiatives (T-shirts, prints etc.)
- Digital marketing would also allow the Health Charity to create integrated messages, with a mix of videos and images that can tap into the emotive side of our supporters and inspire them to fundraise in different ways.

#### Negative impact;

- Large scale/high income fundraiser events cancelled Bed Push, 10K runs, Cardiff Half Marathon, Prop Ball, Pink Tie Ball, Strictly Top Dancer – (although many will roll over to 2021)
- Reduction in return of investment portfolio
- Current Covid related restrictions have identified a shortfall in digital/ virtual expertise to meet service requirements / fundraising capability ( currently limited within team)
- Limited attention to prevention agenda and third sector engagement in projects
- Unable to open/engage with visitors, public, staff, footfall at UHW via the POD

#### Recommendation:

The Charitable Funds Committee is asked to :-

- Note the current position of the charity.
- Allow the charity team time to work on new and refreshed proposals and approaches for presentation at the next Charitable Funds Committee.
- Note the current position of the planned programme as laid out in appendix 1.
