University Health Board

DEPARTMENT OF MEDICAL EDUCATION BULLETIN April 2019

University Hospital of Wales (UHW)

Cardiff and Vale University Local Health Board was established in October 2009, and is the largest Health Board in Wales.

The UHB has two Medical and Dental Education Centres, based across two sites, University Hospital of Wales (UHW) and University Hospital Llandough (UHL). Both centres provide the infrastructure and staff to facilitate the Education, Training and Continuing Development of Postgraduate Professionals in Hospital Medicine, General

Practice and Dentistry. They ensure the medical students receive a high standard of clinical placement and offer support to the clinicians delivering teaching. This involves working very closely with Cardiff University, School of Medicine and HEIW (formerly the Wales Deanery).

Each centre is managed by a dedicated team who ensure a high standard of Medical Education is provided across the UHB.

University Hospital Llandough (UHL)

The Medical Education Department

The Medical Education Department is spread over two sites at University Hospital of Wales and University Hospital Llandough. Both sites have their own Clinical Skills areas aimed at the teaching of Undergraduates and training of Postgraduates.

The Library Page

NHS Wales e-Library for Health

Improved content!

The resources on the NHS Wales e-Library have been enhanced as part of the development of HEIW.

Clinical Key is back!

Clinical Key has now been purchased for the whole of Wales. This resource provides summaries of evidence, Elsevier e-journals and Elsevier e-books, patient information, a large collection of images for use in presentations, plus Procedures Consult—videos on how to do a clinical procedure.

E-Journals:

More e-journals have been purchased nationally to provide a better selection of titles. Don't forget that if you can't locate a journal article yourself, the library at UHW or UHL can get it for you free of charge.

Where to find the NHS Wales e-Library for Health:

at work via the C&V UHB intranet: <http://howis.wales.nhs.uk/ehl>

at home or at work via the internet: www.wales.nhs.uk/ehl

NHS Wales LibrarySearch: <https://nhswaleslibrarysearch.cardiff.ac.uk/>

Use NHS Wales LibrarySearch to search all NHS Wales local and national print and electronic resources including Cardiff University health libraries book collections.

Do I need a password?

You will need a library membership barcode and password plus an Athens account to use these resources.

UpToDate is our local resource for Cardiff & Vale UHB

UpToDate provides current, peer-reviewed Topic Reviews of evidence on a clinical condition, including symptoms, tests, diagnosis and treatment options plus patient information at two levels, Basic and Beyond the Basics. The Topic Reviews are quick to read and easy to digest.

For training on any of these resources, please ask Rosemary

If you need help or advice about library services, please contact:

Rosemary Soper, Cardiff & Vale UHB Librarian.

soper@cardiff.ac.uk
