DEPARTMENT OF MEDICAL EDUCATION BULLETIN

December 2019

University Hospital of Wales (UHW)

Cardiff and Vale University Local Health Board was established in October 2009, and is the largest Health Board in Wales.

The UHB has two Medical and Dental Education Centres, based across two sites, University Hospital of Wales (UHW) and University Hospital Llandough (UHL). Both centres provide the infrastructure and staff to facilitate the Education, Training and Continuing Development of Postgraduate Professionals in Hospital Medicine, General

Practice and Dentistry. They ensure the medical students receive a high standard of clinical placement and offer support to the clinicians delivering teaching. This involves working very closely with Cardiff University, School of Medicine and HEIW (formerly the Wales Deanery).

Each centre is managed by a dedicated team who ensure a high standard of Medical Education is provided across the UHB.

University Hospital Llandough (UHL)

The Medical Education Department

The Medical Education Department is spread over two sites at University Hospital of Wales and University Hospital Llandough. Both sites have their own clinical skills areas to aid undergraduate teaching and postgraduate training.

The Library Page

*Merry Christmas from
all the Library staff!*

In January we will be launching our new service, **KnowledgeShare**

KnowledgeShare connects health care staff with their local NHS library and knowledge service. Registered users can also use KnowledgeShare to find colleagues with shared interests, helping to spread innovation and collaborate on service improvement.

NHS library and knowledge services (LKS) inform patient care, service improvement, clinical teaching and research through the provision of:

Evidence searches

Updates highlighting newly published health care information

Information skills teaching

KnowledgeShare allows LKS members to:

Request evidence searches from their LKS and find searches requested by colleagues elsewhere (where permission has been given).

Sign up for highly targeted updates based on their professional interests

Book onto LKS skills sessions and manage their bookings

Connect with colleagues based on shared professional interests

Please look out for more details, or sign up now.

Leadership & Management

Free Two-Day Courses for Higher
Trainees within Cardiff & Vale ULHB

Course Facilitator: MIAD

- Equip doctors in training to meet the leadership challenges they will encounter; through discussion and practical work to reinforce the lessons from the nine e-learning modules.
- Explore the changing approach to medical leadership in the context of the Leadership Framework.
- Develop self awareness and self management skills.
- Improve time and stress management skills.
- Explore influencing techniques to help you become a better leader.
- See how patient safety and clinical risk management are at the core of healthcare delivery.
- Reinforce your understanding of current NHS issues and financial procedures
- Check your understanding of the recruitment process and discuss and practise the skills you need to gain your consultant post.
