The Library Page

Happy Birthday NHS!

For a good read this month, why not take a look at Archie Cochrane's classic text "Effectiveness and Efficiency: random reflections on health services."

Published in 1972 but still relevant today.

Copies are available to borrow from the Health Library, Heath Park, Brian Cooke Dental Library, and (of course) the Archie Cochrane Library at UHL.

If you would like something more modern, we have plenty of books on health services management and leadership.

The Board Room at UHL houses a fascinating Museum of local photographs, objects and memorabilia donated by past and present hospital staff—well worth a visit.

If you need help or advice about library services, please contact:

Rosemary Soper, Cardiff & Vale UHB Librarian.
