Grand Round Series

The Grand Round is a one-hour case presentation and discussion. Each term there are Case Presentation Competitions for both Higher and Foundation Trainees.

The UHW Grand Round is held each Wednesday lunchtime during term time in UHW Lecture Theatre 4 and is attended by a large variety of specialties and multi-disciplinary staff.

There are a limited number of places to attend the Grand Round in person. The weekly session is available to watch via video link on Blackboard Collaborate:

<https://eu.bbcollab.com/guest/61001a0a68bd4c538fe2ab855f243f54>

Please ensure that you access this link via Google Chrome.

Should you have any problems accessing this please contact the Department of Medical Education.

Look out for more details released each week about the up coming speaker and presentation, along with the link to catch up on the previous session.

Current Library Services

Along with our online services, we can now offer a limited service in our physical library spaces. Please wear a mask when visiting libraries, observe the two-metre social distancing requirement, and use the hand sanitisers provided.

Health Library, Cochrane Building, UHW

Pre-bookable study spaces and NHS PC service for C&VUHB staff

This area is located on the second floor of the Health Library and accessible from the main Cochrane Building staircase. You can make a booking at: <http://bit.ly/booktostudyNHS> or from the NHS network: <https://outlook.office365.com/owa/calendar/gofodaullyfrgellCVUHBLibraryspaces@cf.onmicrosoft.com/bookings/>

Click and Collect

A **Click and Collect** service for books held in the Health Library and at other Cardiff University libraries is available on the ground floor of the Library. Please see details at: <https://www.cardiff.ac.uk/libraries/services-and-support/library-services-available-during-the-coronavirus-covid-19-pandemic>

NB The Brian Cooke Dental Library is closed until summer 2021, and the books have been transferred to the Health Library where they are available through the Click and Collect service.

Archie Cochrane Library, UHL

This library is open, unstaffed, 24 hours a day. NHS PCs and study spaces are available, plus self-service borrowing and returning. Books can be sent to the library from other sites for you to collect. To enter the library, you need an activated library card. Please contact

E-book collections

Search [NHS Wales LibrarySearch](#) for e-books by signing in, type in search details and select books. When the search results display, select full text online and any e-books should appear at the top of the results list. Some e-books maybe restricted to Cardiff University staff and students only. However, we have purchased several collections for C&VUHB staff use from Ebsco, Wiley and Oxford University Press, and there are also e-books available from the national subscription to ClinicalKey. To view the content, you will also have to sign in via the OpenAthens link using

UpToDate

The UpToDate search page now includes links directly to Covid-19 topics with a Covid 19 homepage found by typing 'covid' into the [search box](#). For latest developments on UpToDate, view [their video](#).

To get the UpToDate app, register for your own account within UpToDate whilst using it on the NHS network. For help using UpToDate, please contact Rosemary.

Need help or wish to give any feedback on our services?

Please contact: Rosemary Soper, Cardiff & Vale UHB Librarian, soper@cardiff.ac.uk

Turner-Warwick lecturer scheme

Applications are now open for the Turner-Warwick lecturer scheme for trainees in the RCP regional network

The Turner-Warwick lecturer scheme is a platform for the brilliant work and research being conducted by medical trainees around the UK. It's a national scheme, run at a regional level – each year showcasing the outstanding work of one trainee in every region.

Are you a trainee who would like the opportunity to showcase your work or research?

Do you work with an outstanding trainee who you could encourage to apply?

Visit **RCP Player** to listen to presentations from the 2020 Turner-Warwick winners.

Eligibility

Trainee physicians at IMT, CMT, ACCS-AM, MTI or ST3–7 (or equivalent) can apply and should not be expecting to complete their training before 30 November 2021.

How to apply

Applicants need to submit an abstract relating to the subject of the proposed lecture, which should be based on work in one of the following areas:

- > clinical research
- > successful quality improvement programme
- > achievements in medical education.

Submissions relating to COVID-19 are welcomed where they meet the criteria in any of the above categories.

Use the QR code to request an application form and full details about the scheme, or contact
