Cath Powell or Beccy Taylor  
029 20742807

Clinical Lead - Dr Mohid S Khan  
029 20743443

**Further Information and  
Sources of Help and  
Support**

## The NET Patient Foundation

The NET Patient Foundation (NPF) charity supply a wealth of information on different types of NETs, tests and treatments as well as help with psychological, emotional and practical support.

The NPF also have local support groups that meet regularly in Cardiff and Swansea. These are meetings for anyone living with NETs to discuss day-to-day issues, shared experiences and to give and receive support and information. Family and friends are also welcome to attend.
