Managing Capability Informally – A Checklist for Managers	
Discuss the nature of the performance concerns, use observations / examples to explain gaps between expectations and current performance	
Ask employee to respond to concerns and if they feel they have any mitigating factors	
Ensure that some positive feedback is provided, where possible.	
Clearly explain the expected standards of performance and any necessary actions required to aid improvement. Ensure objectives are SMART	
Where appropriate, consider providing them with access to reasonable support/training (coaching, mentoring, formal courses, etc.)	
Discuss their preferred ways of learning e.g. formal courses, shadowing, mentoring etc	
Consider the relevant code of practice and whether advice should be sought from the relevant professional lead	
Agree timescales for improvement and review dates	
Discuss the potential consequences of not achieving the required improvements in performance	
Check if the individual wishes to add anything or has any questions to ask
